

**CONFIDENTIAL****NATIONAL SECURITY COUNCIL****IMPLEMENTING SUPPLEMENT****FOREIGN DOCUMENT EXPLOITATION**

Under the authority of paragraph 4 of IAG 1, the necessary concurrences having been obtained, the Central Intelligence Agency shall:

1. Exploit or allocate the exploitation of all captured documents having an intelligence potential related to the national security.
2. Exploit or allocate the exploitation of other foreign documents, including periodicals and the press, having an intelligence potential related to the national security.
3. Make appropriate dissemination of the product of such exploitation.
4. Coordinate such agency exploitation in this field as may not be centralized.

R. H. KILLEENKITTER  
Rear Admiral, USN  
Director of Central Intelligence
